**Soft Skills:** Teamwork, Problem Solving, Effective Communication, Attention to Detail

## PROJECTS

### Netflix\_UI | *JavaScript, HTML5, CSS3, Git*

- 🔗 Deployed Link : <https://steady-sfogliatella-2d07ed.netlify.app/>
- 🔗 Github Repo : <https://github.com/vamsithota123-jpg/clone-netflix-repo>
- Developed a responsive Netflix-inspired web interface using HTML, CSS, and JavaScript.
- Implemented smooth horizontal scrolling for movie/show sections with interactive toggle for dark/light modes.
- Designed and executed hover effects and animations on movie thumbnails to enhance user experience.
- Utilized JavaScript, HTML5, CSS3, and Git for project development.

### Apple\_Site | *ReactJS, CSS, React State, Context API*

- 🔗 Deployed Link : <https://lucent-lokum-ab3655.netlify.app/>
- 🔗 Github Repo : <https://github.com/vamsithota123-jpg/E-commerce-React>
- Developed a fully responsive e-commerce web application in React, ensuring seamless user experience across devices.
- Adapted quickly to new challenges and implemented improvements based on user feedback for enhanced product quality.

## EXPERIENCE

### Outlier | *Freelance Telugu Translator - AI Training Projects*

Aug 2023 - Aug 2024

- Translated English text into accurate and contextually relevant Telugu for AI training projects.
- Reviewed and corrected Telugu translations generated by machine learning models.
- Ensured linguistic accuracy and maintained high-quality standards for all assigned tasks.
